

## Trinity Academy Halifax Supplemental Guidance – Fair Banding Assessment

This information relates to entry into Year 7 for 2021

For entry into Year 7 in September 2021, parents have to include Trinity Academy Halifax (TAH) as one of their five preferences on the Common Application Form (CAF). Pupils interested in applying to TAH will be invited to sit a non-verbal reasoning assessment (a Fair Banding Assessment), produced by a reputable national organisation.

**Applicants who sit the Fair Banding Assessment are considered for admission first.**

Any applicants, including late applicants, who miss the September Fair Banding Assessment will be given further opportunities to sit it (on the third Saturday of either November or January). Additional Fair Banding Assessments will also be arranged, if required, for late applications

Note: Applicants can only sit the Fair Banding Assessment once.

Any applicants who choose not to sit the Fair Banding Assessment will be 'non-banded' and will be ranked in order of priority (after all of the banded applicants), with the level of priority then determined with reference to the oversubscription criteria (see main Admissions Policy).

The results of this assessment will be used for the purpose of assisting the academy in placing applicants into one of four bands (1-4) dependent on their Fair Banding Assessment score. The boundaries of each band reflect national benchmarks. We will admit the required number from each band based on the spread of ability of those applying.

The assessment is externally set by a well-established educational assessment agency and the papers are collected by the agency to be marked. The academy is then provided with a list of each child's assessment mark, similar to an IQ score, with 100 being the average. The marks are divided into four bands and we are instructed how many children to take from each band e.g. if 40% of those applying are identified in band 2, then 40% of our intake has to be from this band. This ensures that the 330 places we offer reflect the ability range of our applicants.

The assessment is not a traditional entrance exam which children either pass or fail. It is done to ensure that our intake exactly matches the ability profile of the children applying.

TAH offers 330 places each year.

### Fair Banding Assessment Window 1:

**The parents of pupils interested in applying to TAH need to complete a Fair Banding Assessment Registration Form** (available on the academy's website or can be obtained directly from the academy).

Registration forms are available for completion from **Monday 13 April 2020** (the second Monday in April) to the deadline of **Friday 11 September 2020** (the second Friday in September). The

assessments for these pupils will take place on **Saturday 19 September 2020** (the third Saturday in September).

Parents/carers of children who sit the Fair Banding Assessment in September will be informed of their child's score (and the band they have been allocated to) prior to the national deadline for secondary school applications. Parents/carers of children who sit a later Fair Banding Assessment will also be informed of their child's score (and the band they have been allocated to).

The admission assessment will consist of a nationally validated assessment, supplied by a recognised body such as GL Assessment. The assessment is a predictor of future performance and as such does not rely upon material that will be covered in the primary school curriculum. The results from the assessment are standardised and aged-weighted. Exemplar material, including examples of assessment questions, is available from the academy's website or can be obtained directly from the academy.

Secondary school applications must be submitted to the LA in which the child is resident by October 31st 2020. The LA will then allocate places according to the coordinated scheme and parents will be notified of the offer on 1 March 2021.

The coordinated scheme in Calderdale is administered as an equal preference scheme. This means that parents express a preference for up to five schools on the Common Application Form (CAF) and although they are ranked in order, they are given equal preference. The LA will operate the scheme and coordinate admissions by sending every preference to the admission authorities without reference to the rating on the CAF. Therefore, schools will offer places based on their oversubscription criteria which cannot include 'first preference first'. The ranking is used to discriminate between preferences if two or more schools are able to offer a place, then the highest preference is offered.

Parents who wish to place Trinity Academy Halifax as their first preference are reminded that it regularly receives over 700 applications for just 330 places, and therefore parents who want a 'Trinity MAT' secondary experience are strongly advised to place the two academies (Trinity Academy Halifax and Trinity Academy Sowerby Bridge) as their first and second preferences.

Kirklees and Bradford also operate an equal preference scheme and so parents can follow the advice given above for Calderdale residents.
