

16 September 2020

Dear Parent/Carer

We firstly want to thank you for your support in what has been a very positive start to the new academic year. It has been fantastic to see so many of the students again back in lessons and working so hard. We are, however, aware that there may still be some understandable anxiety about the return to school and understanding all the guidance that the government has published. We have therefore enclosed in this email a handy guide to support you with your child's attendance concerns.

We also wanted to take this opportunity to explain that, in line with government guidance, in the event of a confirmed case of COVID-19 at the academy, we inform Public Health Calderdale and Public Health England. We then work closely with these organisations who undertake a risk assessment of each individual case. Any decision we have to take will be made as promptly as possible but will always act on the guidance of these expert bodies.

Once again, thank you for your support and we hope that you find the attached help sheet of use.

Yours faithfully

Mr Robinson
Principal
