- All students will be expected to complete all tasks set in lessons, and in addition complete weekly homework for each subject.
- If a student is absent, it is their responsibility to catch up on missed class work / homework. The class teacher will support the student to ensure they are provided with all relevant resources.

3.2 The Trinity Experience policy

- In addition to timetabled academic subjects, all students follow a 'curriculum for life' programme which aims to develop their spiritual, moral, social and cultural understanding.
- Students have a timetabled 40 minute Curriculum for Life lesson each week. This covers the content of the Relationships, Sex and Health Education statutory guidance (2020), the recommended content of the PSHE Association and the Citizenship National Curriculum.
- Delivery of the curriculum for life programme will be provided for in year groups to be tailored to the specific needs of different age groups.
- The content of the Curriculum for Life programme will be determined via analysis of a range of data available which gives evidence as to the education gaps students may have. Data will be taken from avenues such as the yearly bullying survey, analysis of the types of referrals made to the vulnerable student team and pupil voice.
- The Curriculum for Life programme permeates the academic curriculum and will be enhanced through assemblies, vertical tutoring sessions, workshops by external agencies, and collective worship.
- In addition to the core curriculum for life programme, students will have the opportunity to partake in cultural trips, visits and residential trips, based on their interests and needs.
- The academy values of Empathy, Honesty, Respect and Responsibility play an integral part in the curriculum for life programme and all students and staff take part in a daily two minute silent reflection, aimed to provide space and time for thinking and reflecting on a world event.
